

End Direct Provision and Tackle the International Protection Process

Ulster Launch of Direct Provision Report

When: Wednesday, July 27th

TIME: 3pm

**Where: Carrickmacross Workhouse,
County Monaghan**

'End Direct Provision and Tackle the International Protection Process' is a recently published report by Afri, which details the suffering people have endured and continue to endure in the Direct Provision system, and the ill treatment they have experienced as a result of International Protection Office procedures.

The report was published in collaboration with MASI and with the support of the St Stephen's Green Trust. Launch supported by Síolta Chroí and REDIAL
